

[illegible]

A geometric diagram showing a circle with an inscribed square. The square's vertices are labeled with letters: 'A' at the top, 'B' at the right, 'C' at the bottom, and 'D' at the left. The diagonals of the square are drawn, intersecting at the center, which is labeled with the letter 'E'. The circle's circumference is also labeled with letters: 'A' at the top, 'B' at the right, 'C' at the bottom, and 'D' at the left, corresponding to the square's vertices.
